April 3, 2017

Dear Friends,

With spring in the air, First Nations Technical Services Advisory Group Inc., would like to invite you to participate in our 14<sup>th</sup> Annual Golf Tournament Fundraiser at The Ranch Golf and Country Club on June 20<sup>th</sup>, 2017. As in previous years, the proceeds from the tournament will go towards supporting our youth initiatives for Alberta First Nations, including our 9<sup>th</sup> Annual Environment Youth Camp, hosted in the Alberta Rocky Mountains.

Thanks to supporters like yourself, TSAG's Environment Youth Camp 2016 brought together First Nation students from across the province to learn from each other and from guest speakers and local knowledge holders. Youth camp topics and activities included wildlife and aquatic monitoring activities, traditional land use mapping, and of course climbing, kayaking and white water rafting! Thanks to volunteer education professionals, students also have the opportunity to earn high school CTS credits through their participation in the camp, pending approval from their schools.

In addition to supporting hands-on learning for youth, this tournament is a great promotional opportunity for your company. Not only will you have the chance to network and liaise with other organizations, but you can also show your support for First Nations youth initiatives through specific sponsorship opportunities. At this time we are looking for hole sponsors, eagle, birdie, hole-in-one sponsors, and lunch sponsors. To purchase great prizes for each hard-working golf team, we are also seeking gift certificates and monetary donations. Teams will be registering in groups of four and will be awarded prizes during the lunch banquet immediately following the tournament.

**Save the date:** June 20, 2017. Thank you for your consideration and for your interest in supporting career based initiatives for First Nations youth in Alberta. For more information on sponsoring opportunities and registration, please contact Sandra Doyle at (780) 483-8601.

Kindest regards,

Vaughn Paul  
Chief Executive Officer
