

First Nations Technical Services Advisory Group Inc. FIRE NEWS!!!

TSAG is happy to announce that we now offer new FIRE SERVICES for all Alberta First Nations!

Along with the fire services we already offer, TSAG is happy to add the following complements to our offerings:

For Alarm Systems:

1. Testing
2. Recertifying
3. Certification
4. Documentation
5. On-site training for staff
6. Deficiencies noted and reported
7. Minor repairs (batteries, resetting detectors)

For Sprinkler Systems:

1. Visual inspection
2. System flow for alarm
3. Ties into the fire alarm panel (making sure the systems are communicating)
4. Recertifying
5. Certification provided
6. Documentation
7. Deficiencies noted and reported

Note: TSAG will not complete Sprinkler System Repairs

Should your Nation wish to access these services, please feel free to contact our office and speak to Dale to book secure an appointment!
