

Teacher Information Sheet

The TSAG Fire Keepers curriculum is designed to be a complete package. Each grade grouping comes with a lesson plan and a PowerPoint presentation. Please note: some lesson plans for Kindergarten through Grade 2 classes contain additional handouts or flashcards attached directly to the lessons.

Additional materials that support this program include:

TSAG FireKeepers Volume 1: Grades 2-3 (with student activities designed to complement each lesson plan). **These must be ordered.**

TSAG Fire Keepers Volume 2: Grades 4-6 (with student activities designed to complement each lesson plan). **These must be ordered.**

TSAG Fire Keeper Stickers: can be handed out and placed in student booklet. **These must be ordered.**

Fire Prevention is Everyone's Responsibility stickers. These can be used as rewards but are also required for K-1 It's a New Year Lesson Plan. **These must be ordered.**

PowerPoint Jeopardy Games. **These games can be downloaded.** Lesson plans that use these games will list them under *Materials Needed* section of the lesson plan.

Fire Facts Flashcards: These are for use in two lessons for the Kindergarten -Grade 1 grouping. **They will need to be downloaded and printed double sided.**

As with any new program, it is always great to review the lesson plans before hand to ensure you have all necessary materials.

If you have any questions, please contact fire@tsag.net.
